

What can your gift do?

Houston. It's a can-do city with a spirit of neighbors helping neighbors, where we keep our community moving forward...the United Way! We are the United Way of Greater Houston. We lend a hand, ignite hope, and stand up for our community.

We answer the call, provide the help that transcends hopelessness, do the footwork and lay the groundwork for a positive future. We are the leader and trusted partner for a community that cares.

Some of the most rewarding opportunities to give could be the ones you give away:
