2011-12 Leadership Giving

Do something

**powerful**

**Do  
something  
about it.**

There are leaders in our community who are dedicated to making Houston the best place to live and work. These generous donors believe in opportunities - for a child to succeed in the classroom, for a family to acquire healthy financial habits, for a senior to live independently, and for an individual to start fresh in the aftermath of crisis. United Way leadership donors are our community's strongest advocates. They believe in all that Houston is meant to be, and they have factored themselves into the plan to get us there.

"Today's young professionals really are Houston's future leaders. As a United Way Young Leader, I have the opportunity to serve my community in a meaningful way today and develop the skills I need to lead my community tomorrow. Joining the Young Leaders program is one of the most rewarding things I have ever done."

**SABRINA MARTINEZ** • ConocoPhillips

"The power of women, the power of friendship, the power of improving our community and a whole lot of fun-that's what the Women's Initiative of the United Way is all about."

**LYNNE LIBERATO** • Haynes and Boone, LLP

"I am proud to support United Way because I've seen the difference United Way makes here in Houston. United Way embraces the entire circle of life and builds a better future for us all."

**RUPAM MODI** • Anadarko Petroleum Corporation
