WHAT IF YOU WERE STRUGGLING TO MAKE ENDS MEET?

DO SOMETHING ABOUT IT

When you’re struggling to just get by, it can be hard to plan for the future.

With basic needs assistance, education, employment assistance, and United Way THRIVE’s network of financial stability services, United Way of Greater Houston is helping our neighbors live better lives.

Please help us continue this life-changing work.

If you or someone you know needs help, call 211.
