BECAUSE WE’LL ALL BE SENIORS ONE DAY, IF WE’RE LUCKY. 
DO SOMETHING ABOUT IT

Whether it’s with a warm meal or a friendly visit, our community cares for its seniors.

United Way is here to make sure our elders have the support they need to remain independent.

Please help us continue this life-changing work.

If you or someone you know needs help, call 211.

To make this work possible, please donate.
