More than 40% of families in our community are working hard but can’t make ends meet. These families struggle to take care of the basics, like food, housing, and health care. COVID-19, the economic fallout, and significant job loss have increased the number of people who need help and have made life tougher for those who were already struggling. Your support is more important than ever.

WAYS TO JOIN
• Online at unitedwayhouston.org
• Contribute stocks or securities
• Through a Donor-Advised Fund

However you choose to give, we thank you!
